**"Let us consider how to stir up one
another to love and good works." —
Hebrews 10:24**

As we begin a new season together,
may this verse remind us of the joy
and purpose we share—encouraging
one another, serving our parish with
generosity, and welcoming new
hearts into our community. May our
efforts continue this month to inspire
love, unity, and good works in all we
do.

The Lady of the Forest Ladies Auxiliary

Dear Ladies,

What a wonderful start to our year together. Our first meeting after the summer break was truly a delight—filled with great conversation, a lovely dinner, and the joy of being back in community with one another.

We also want to celebrate the tremendous success of the Our Lady of the Pines Parish Picnic. The desserts you provided were not only delicious but beautifully presented, and your service throughout the event helped make the day special for every parish family who attended. Your generosity and teamwork continue to shine.

Our membership efforts have been equally encouraging. We are thrilled to welcome three new members into our group, and we have eight additional women who are prayerfully considering joining us. Thank you for your hospitality, outreach, and the spirit of welcome you bring to every gathering.

Looking ahead, we are excited for our next business meeting on September 10th, where we will continue planning, sharing, and strengthening our mission together. We are also preparing for our participation in Oktoberfest on September 26th, where we will join in fellowship and support the broader parish community.

Thank you for all you do—your service, your kindness, and your commitment make a meaningful difference.

Happy Birthday to all out September Ladies. We celebrate and love you!

Fiat Lux,
Kathy Appleyard
